ON A *serious note*

- Stick to the plan, folks! If you're late, join late, or leave early, we can't offer refunds. Unused services during the trip? Non-refundable too.
- We're not responsible for costs caused by surprises like accidents, theft, or unexpected changes due to natural disasters (like landslides or floods), strikes, government orders, or bad weather.
- Mother Nature can be unpredictable! Safarwallah reserves the right to tweak the itinerary if weather conditions play spoilsport. Don't worry—we'll make sure your adventure stays awesome, even if it means offering alternate travel options.
- While we work with some fantastic third-party vendors for transport and stays, mishaps can happen. Safarwallah isn't liable for issues caused by these vendors, but we'll do our best to sort things out if something goes sideways.
- Travel insurance? Sorry, we don't provide that. But hey, it's always smart to get yourself covered with a good travel insurance plan before the trip. Better safe than sorry!
- If unexpected expenses crop up or plans change because of things like weather, roadblocks, or strikes, you'll need to settle those costs on the spot with our POC or trip coordinator.
- Need an Early Check-in, Late Check-out, or a room with a view? Sure thing, but these extras depend on availability and will cost a little more. Handle it directly with the hotels, and you're good to go!
- Remote adventures sometimes mean limited resources. If things aren't perfect, let's go with the flow—it's all part of the charm of exploring the unexplored!
- Volvo buses between Delhi and the base? Managed by third-party vendors, so we don't control stops or routes. If there's a breakdown, we'll have a backup ready as soon as possible. Thanks for your patience!
- Respect the mountains, the people, and the places we visit. And keep your belongings safe—we're all about adventure, but we're not magicians who can make lost stuff reappear.
- Sharing a room with two others? No extra beds, but cozy mattresses are provided for a comfy night. Rotate, relax, and let's make it fun!
- Pack a reusable bottle, skip the plastic, and leave no trace. Let's protect and love the outdoors, ensuring it's just as beautiful for the next adventurer.
